

SAP Comm – Marketing

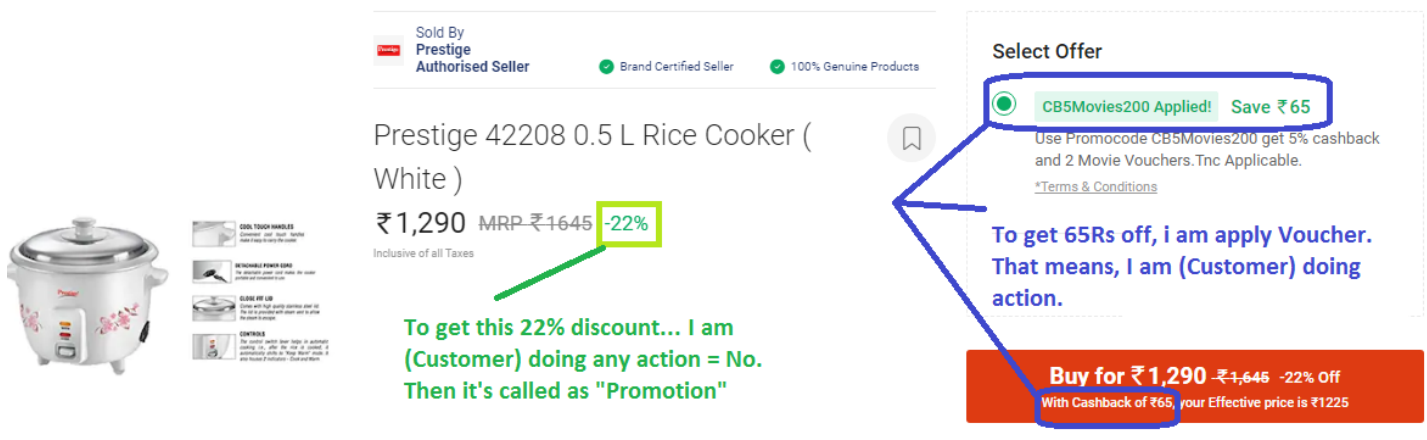

Q = Difference between Promotion & Discount.

Discount = Reduction of basic price of the goods.

Promotion = Something which you do to make people aware of the product.

Q = Difference between Coupon & Voucher? = No Difference

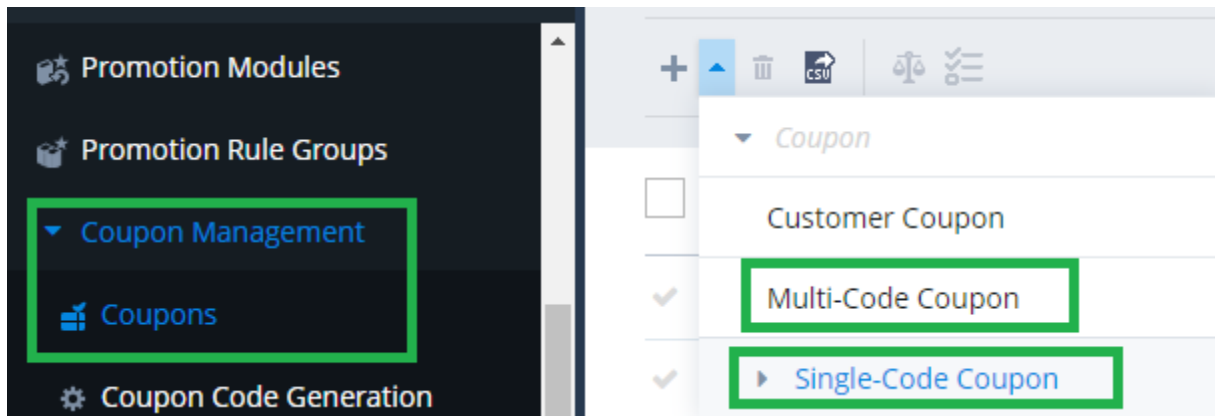

Q = Difference between Voucher & Promotion?

A screenshot of a Prestige 42208 0.5 L Rice Cooker (White) product page. The page shows the product image, price (₹1,290), and MRP (₹1,645) with a 22% discount. A green box highlights the 22% discount, with a green arrow pointing to it and text: 'To get this 22% discount... I am (Customer) doing any action = No. Then it's called as "Promotion"'. On the right, a 'Select Offer' section shows a green circle next to 'CB5Movies200 Applied! Save ₹ 65'. A blue arrow points from this offer to a red box at the bottom that says 'Buy for ₹1,290 ₹1,645 -22% Off With Cashback of ₹65, your Effective price is ₹1225'. Another blue arrow points from the 'Select Offer' section to the red box. The page also includes a 'Sold By Prestige Authorised Seller' badge and a 'Brand Certified Seller' badge.

Coupons =

SAP Comm provides 2 types of Coupons =

- (1) Serial Voucher / Multi Code Coupons =
If Voucher is valid only once.
- (2) Promotional Voucher / Single Code Coupons =
If Voucher is valid for Applying ≥ 1 , then it called “Promotional Coupons / Single Code Coupons”.

Q = What are the Coupons – Key Features?

- ✓ Can be created for cross channel use
- ✓ Can be generated manually or automatically
- ✓ Unique & secure voucher identification numbers
- ✓ Voucher can be restricted to -- Products, Order Value, Time-Spans & Customer
- ✓ Vouchers may be redeemed by customers to reduce the order total value (or) value of a product.

Create New Promotion Rule =

The screenshot shows the 'Create New Promotion Rule' interface. On the left is a sidebar with a 'Marketing' menu containing 'Order Statistics', 'Product References', 'Promotion Website Groups', 'Product reviews', 'Promotion Rules' (highlighted with a green line), 'Show Published and Unpublished', and 'Show All'. Below the sidebar is a 'SAVED QUERIES' section. The main form has a title bar with a close button. The 'PROMOTION SOURCE RULE' section contains a 'Code' field with 'RRRSPromotion' and a 'Name' field with 'RRRS Promotion', both highlighted with green lines. At the bottom right of this section are 'CANCEL' and 'DONE' buttons, with a green line pointing to 'DONE'. Below this is a header for 'RRRS Promotion [RRRSPromotion]' with 'REFRESH' and 'SAVE' buttons. The 'RULE PROPERTIES' tab is active, showing 'DETAILS' with fields for 'Code' (RRRSPromotion), 'Name' (RRRS Promotion), 'Description' (RRRS Desc), and 'Version' (0). The 'RULE MANAGEMENT' section includes 'Website' (apparelUKPromoGrp), 'Priority' (10), 'Stackable' (False), 'Rule Group' (customerPromotionRuleGroup), 'Start Date/Time' (Feb 28, 2019 9:21:39 PM), 'End Date/Time' (Mar 6, 2019 9:21:43 PM), and 'Exclude from storefront display' (False). The 'OTHERS' section has a 'Message' field (RRRS -- Message), a 'Status' dropdown (Unpublished), and a 'Deployments' field.
